

Cybox looks to raise breast cancer awareness

October 1, 2009 08:37 AM

Cybox International Inc., a Medway-based manufacturer of exercise equipment, unveiled its latest effort to support breast cancer research.

The company said that hundreds of its CYBEX 750T pink treadmills are deployed in health clubs, YMCA's, hotels and spas, student recreation centers, corporate employee gyms and other exercise facilities around the country, and Cybox said it will donate 10 cents to the **Breast Cancer Research Foundation** for every mile logged on its pink treadmills throughout the month of October - October is breast cancer awareness month.
