FOR IMMEDIATE RELEASE

**CYBEX ANNOUNCES DATE AND CONFERENCE CALL
FOR FOURTH QUARTER 2008 EARNINGS RESULTS**

MEDWAY, MA, February 6, 2009 – Cybex International, Inc. (NASDAQ: CYBI), a leading manufacturer of premium exercise equipment for the commercial and consumer markets, will discuss its fourth quarter ended December 31, 2008 in a conference call on Tuesday, February 10, 2009 at 4:30 p.m. ET. The Company plans to release earnings that same day.

Those who wish to participate in the conference call may telephone (888) 812-8534 from the U.S. or (913) 981-5573 for international callers. A live webcast of the conference call will be available at www.cybexintl.com or www.viavid.net. On CYBEX's website under the category Company, click on Press, scroll to the bottom and select Q4 Earnings Release Conference Call. Please visit the web site at least 15 minutes early to register for the teleconference webcast and download any necessary software. Real Player or Windows Media Player is required to listen to the webcast.

A replay of the call will be available until February 17, 2009 by dialing (888) 203-1112 or (719) 457-0820 for international callers. The access code for the replay is 4187631.

About CYBEX

Cybex International, Inc. is a leading manufacturer of premium exercise equipment for commercial and consumer use. The CYBEX product line includes a full range of both strength training and cardio training machines sold worldwide under the CYBEX brand. Products are designed and engineered using exercise science to reflect the natural movement of the human body. Accommodating users from the first-time exerciser to the professional athlete, CYBEX products are available for a wide range of facilities from commercial health clubs to home gyms. For more information on CYBEX and its product lines, please visit the Company's website at www.cybexintl.com.

This news release may contain forward-looking statements. There are a number of risks and uncertainties that could cause actual results to differ materially from those anticipated by the statements made above. These include, but are not limited to, competitive factors, technological and product developments, market demand, economic conditions, the resolution of litigation involving the Company, and the ability of the Company to comply with the terms of its credit facilities. Further information on these and other factors which could affect the Company's financial results can be found in the Company's previously filed Report on Form 10-K for the year ended December 31, 2007, its Reports on Form 10-Q, its Current Reports on Form 8-K, and its proxy statement dated April 4, 2008.
