Gainesville Health and Fitness Center has joined the fight against Breast Cancer with a little help from CYBEX International Fitness Equipment. GHFC purchased a pink treadmill, developed by CYBEX, to record miles and give back to the Breast Cancer Research Foundation.

For every mile logged on the pink CYBEX treadmill, the company will donate 10 cents to the BCRF. Thus far, GHFC's members have logged 518 miles. CYBEX will continue to donate through the month of October in support of National Breast Cancer Awareness Month. On Monday, Nov. 2, GHFC will hold a raffle, giving one member the chance to win the pink CYBEX treadmill.
